## Executive Summary

**Kote Foundation** believes and focuses on building an ecosystem to empower the needy in terms of providing basic human needs of health, education, and Basic Infrastructure. Kote Foundation has been motivated by socially responsible activities that are aimed to continue the mission of Late Shri Vasanthakumar Kote. Shri Vasanthakumar Kote left an inerasable impact on the society with his unselfish good works and we want to continue to make the impact deeper in the society with the strength of his memories.

**Professionals who have a proven track record of experience in managing large companies and setting standard of excellence in corporate governance manage Kote Foundation.** Our mentoring focuses on delivering affordable, critical goods and services such as health, education and basic infrastructure through an innovative, market-oriented approach. The team is passionate about involving in social causes for the under privileged.

Kote Foundation has built and managed **Right To Live** ([www.righttolive.org](http://www.righttolive.org)), a collaborative social platform that connects NGOs, volunteers, sponsors and the Government to uplift, the standard of living and infuse necessary help to those, who are in dire need.

The Right To Live initiative does not use donations and grants to fund its administrative and operating expenditure. Hundred percent (100%) of the funds raised are utilized for the beneficiaries. The founding members of the initiative fund the operating expenses. Kote Foundation shall receive all the donations in their name and will provide the tax exemption certificate for those who require the same.

Kote Foundation shall execute the following responsibilities with respect to the Right To Live initiative:

- Responsible for legal compliance and governance.
- Responsible and accountable for the administration of funds.
- Track and measure results of each donation.
- Professionalize and market the service to get more support for the initiative.

### **Mission:**

Our mission is to inspire improved quality of life and ensure sustainable community development by connecting the caregivers with the needy.

### **Vision:**

Our vision is a society in which everyone will be able to enjoy their “Right To Live”.

# Key activities undertaken: 2017 - 2018

Kote Foundation mainly focusses on three major areas i.e. Health Care, Education and Basic Infrastructure.

## Health Care

Right To Live is a technology platform, which has been built to support the under-privileged people to get access to healthcare at an affordable cost. Under the Right To Live initiative, we take up the responsibility for Patient Care by raising donations using the Right to Live portal.

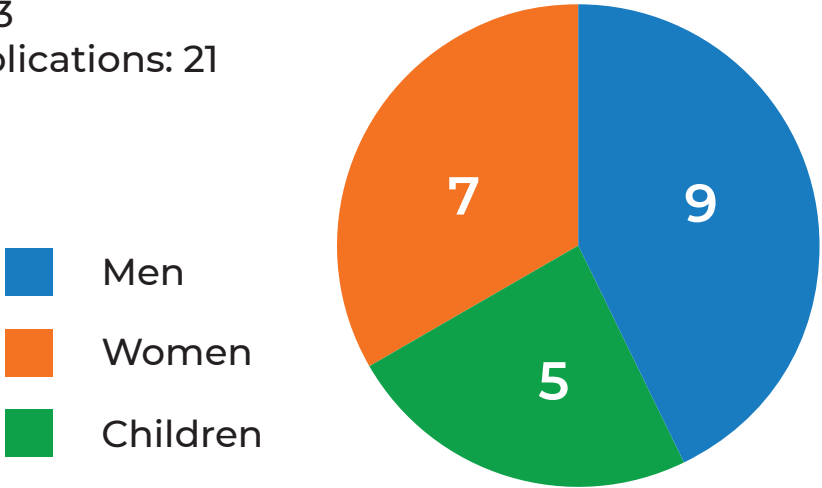

### Patients screening and assessment:

As part of need assessment, we collect and assess the financial condition, and the medical condition of the patient. This is done by one or more of the following -- verifying the BPL card of the patients, Family Income certificate, Medical estimate and case history provided by the hospital or doctor, and where necessary, by conducting home visits to the patients. A trained professional conducts this activity. After verifying the case history, the professional presents the case to the managing committee. The committees will decide on whether to provide support or not. Once approved we upload the information of the beneficiary on the Right To Live website.

### Patients Care

Under this activity, we have identified patients who are in need of medical care and support. These patients were referred by partner organizations, individual referrals, hospitals, and corporates.

No. of Applications: 33  
No. of shortlisted Applications: 21

During the year 2017 -18 we have received 33 applications out of which we were able to support 21 people i.e. 9 male patients, 7 female patients and 5 children.

## Patient Success Stories in 2017-18

S No.	Patient Details	Amt. Provided
1	<p>Help Ramakrishna undergo a surgery on his index finger!</p> <p>Ramakrishna, a 25 year old agricultural labourer, had surgery done to his index finger successfully in March 2018.</p> <p><a href="https://www.righttolive.org/rtl/#/user/success-stories/project-details/130">https://www.righttolive.org/rtl/#/user/success-stories/project-details/130</a></p>	₹ 30,000.00

3	Helped Anu survive Leukemia <a href="https://www.righttolive.org/rtl/#/user/success-stories/project-details/25">https://www.righttolive.org/rtl/#/user/success-stories/project-details/25</a>	₹ 75,310.00
4	Help Sunitha for Dialysis <a href="https://www.righttolive.org/rtl/#/user/success-stories/project-details/26">https://www.righttolive.org/rtl/#/user/success-stories/project-details/26</a>	₹ 43,669.00
5	Help Saritha for post-operative medicines <a href="https://www.righttolive.org/rtl/#/user/success-stories/project-details/46">https://www.righttolive.org/rtl/#/user/success-stories/project-details/46</a>	₹ 16,641.00
6	Helped Philomena fight breast cancer <a href="https://www.righttolive.org/rtl/#/user/success-stories/project-details/66">https://www.righttolive.org/rtl/#/user/success-stories/project-details/66</a>	₹ 21,000.00
7	Helped Pramod get regular blood transfusions <a href="https://www.righttolive.org/rtl/#/user/success-stories/project-details/74">https://www.righttolive.org/rtl/#/user/success-stories/project-details/74</a>	₹ 20,000.00
8	Helped Sandeep to get Kidney transplant <a href="https://www.righttolive.org/rtl/#/user/success-stories/project-details/20540">https://www.righttolive.org/rtl/#/user/success-stories/project-details/20540</a>	₹ 31,538.00

## Recurring Patients

S No.	Patient Details	Amt. Provided
9	Help Mangalamma for her Kidney Transplant <a href="https://www.righttolive.org/rtl/#/user/donate/project-details/20542">https://www.righttolive.org/rtl/#/user/donate/project-details/20542</a>	₹ 51,960.00

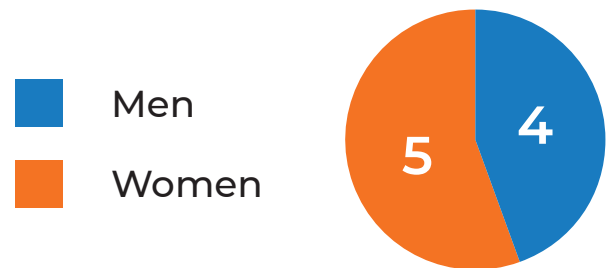

### Education support

Kote foundation also extends its support in the field of Education for students from underprivileged families. We provide educational support for children from rural background belonging to underprivileged socio-economic background and who have the passion to continue their studies. We do a need assessment and recommend to the Trust for supporting the education of these Children.

During the year 2017-2018, we have supported nine (9) children out of which six (4) were males and four (5) females. Most of them have passed their second PUC and have opted for engineering and other courses.

No. of Application received: 9

Scholarship Disbursed: ₹ 63,740.00

Apart from providing scholarships, we have also supported two schools in Sullia Taluk, Dakshina Kannada district, Karnataka, for their development activities :

School Name	Amount
Yuvaka Mandala	₹ 25,000.00
Shalabhiruddi Samithi	₹ 25,000.00

## E- Learning at Govt. Schools

This year, we have started E-Learning program at Government Schools in partnering with BYJU's (the leading ed-tech company in India) to roll out high quality customizable content that can be delivered by teachers of any experience levels.

This program offers students, access to high quality content and equips teachers with teaching aids to practically demonstrate concepts in Math and Science through use of interactive and graphically aided learning solutions. This has resulted in highly interested, engaged and improved students learning, while finding a larger pool of trainable teachers who are interested to deliver the digital content.

Our e-learning program has transformed the way education is imparted in Government schools. The most complex concepts are simplified and made interesting since learning is no more just a theoretical process, but a more visual and contextual one.

### Our holistic solution includes:

- Identifying deserving schools
- Improving the quality of classroom education through digital content.
- Providing scalable infrastructure for a smart classroom (42" flat-screen LED television with Android device and internet).
- Providing a detailed teacher training program to equip teachers with the knowledge and expertise required to deliver quality and effective teaching using the digital tools.
- Taking feedback from students and the teachers and giving them to Byju's for tailoring the content suitable for Govt schools.
- Taking feedback from students and the teachers and giving them to Byju's for tailoring the content suitable for Govt schools.

We have piloted our E-Learning project in the following schools in Bangalore, Karnataka

School Name	Block	Classes Covered	Standard of Medium	No. of Student Benefited
GHPS Gottigere	South 3	6-8	English	103
GHS Puttenahalli	South 3	8-10	English	87
GMPS Weaver's Colony	South 3	6-8	English	219
GHS Alahalli	South 3	6-8	English	104

Total number of students benefitted from the above schools are: 513

## Basic Infrastructure support- Village Adoption

Kote Foundation has identified “ Basic Infrastructure” development as one of the areas of expansion to new areas. As part of this area of activity, we are working with our partner NGO, “Mythri Speaks” in development activities at a village.

The area that we identified for development is Hanchikuppe Gram Panchayat, situated in Madabal Hobli, Magadi Taluk, Ramanagar District, at an approximate distance of 52 kms from central Bengaluru (Corporation Circle). There are 11 villages in this Panchayat, of which 2 are uninhabited, spread across an area of 5474.49 hectares. The total population consists of 6224 people, which includes 3316 male, 2908 females and 120 people with disability.

The areas of intervention that are considered over a period of one year are:

1. Education – Setting up an E-Learning facility in the Government Higher Primary School
2. Swachh Bharat – Making one village Open Defecation Free
3. Livelihood – Training, support and market linkages for women to work from home
4. Healthcare – Supporting those who are differently abled and others having serious ailments
5. Village Walks – Bringing in volunteers and revenue for the panchayat through village tourism

## Events Conducted

Kote Foundation had organised several events in this year to not only spread awareness about its activities, but also to meet the objectives of the Foundation. Some of the events are explained in the sections below:

### 1. NGO Meet at Informatica (5th Dec 2017)

Right To Live attended 'NGO Day' at Informatica LLC as a part of their 'Joy of Giving' week. We were felicitated with an award for partnering them in implementing their CSR initiatives.

### 2. Right To Live @ Cisco NGO Meet (11th October 2017)

An awareness campaign at Cisco was conducted, and we had setup a Kiosk to receive and inform the attendees about Kote Foundation and its activities. The event was well attended by the employees of CISCO, and we are grateful for the excellent support by Rajesh T and Prashant of CISCO in meeting us with many of their fellow colleagues.

### 3. Right To Live @ Microsoft Meet (6th October 2017)

An awareness campaign was conducted at Microsoft office where we had setup a Kiosk displaying our active patients and brochures. We are Thankful to Microsoft for giving us this opportunity to explain our activities to their employees.

### 4. Health Camp at Bhoganahalli Govt. School (16th Sep 2017)

Right To Live in association with Vydehi Institute of Medical Sciences and Research Centre conducted a health camp at Government Lower Primary School, Bhogana-halli, Bangalore. We were able to provide medical checkup for around 125 children studying from 1st to 5th standard. The phenomenal success of the health camp is a reflection of dedication and enthusiasm of the medical staffs and volunteers.

Our sincere gratitude to the students, teachers, non-teaching staffs, Cisco volunteers and the medical staffs who have spent the entire day for the betterment of the school children.

## 5. Health Camp at Panathur Govt. School (8th September 2017)

Right To Live in association with Vydehi Institute of Medical Sciences and Research Centre conducted a health camp at Government Lower Primary School, Panathur. We were able to provide medical checkup for around 150 children studying from 1st to 6th standard. The phenomenal success of the health camp is a reflection of dedication and enthusiasm of the medical staffs and volunteers.

Our sincere gratitude to the students, teachers, non-teaching staffs, Cisco volunteers and the medical staffs who have spent the entire day for the betterment of the school children.

## 6. Food for poor patients (4th Aug 2017)

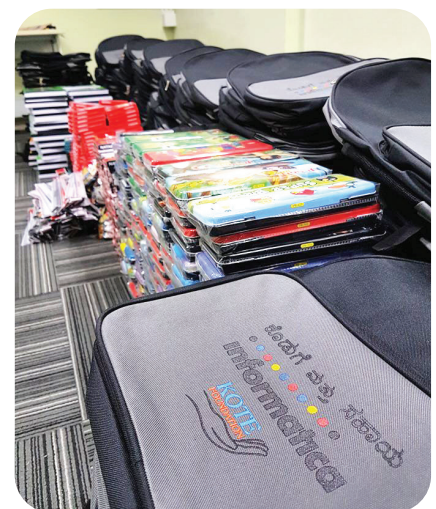

We served lunch for 160 poor patients at St. John's Hospital!!

Patients at St. John's Hospital often are very poor and because of their poverty, the underprivileged patients go hungry to save up on their money and use it toward medical expenses. Right To Live took a small step towards addressing this issue by serving packed lunch for 160 hungry patients on Friday, 4th Aug 2017.

Our heartfelt gratitude to #Cisco #Volunteers- Aakash Agarwal, Prashanth Avadhani, Niharbabu Devathi and Social work Department of St. John's hospital for making this event a grant success. We would also like to thank Trần Phương Mai and Reya Katsu from Vietnam for volunteering with us during their short visit to India.

## 7. School Bag Distribution (27th June 2017)

Kote Foundation, in association with #Informatica, sponsored 150 school bags to students of 'Sheni' and 'Kote Mundugaar' schools and "Shishu Mandir, Kalanja". The school bags contained 6 notebooks, a pencil set, 6 pens, a crayon set, a colour pencil set and a geometry box each. Apart from the school bags, raincoats and footwear were also distributed to the children of both the schools located in Sullia, a taluk in the Dakshina Kannada district of the state of Karnataka, India

### 8. Blood Donation Camp @ Opteamix (13th June 2017)

 [Initial Sponsors : Smt. Subhadraaben Jayantilal Nagardas Shah (Jain)]

Donate Blood - Save Lives • ರಕ್ತದಾನ - ಜೀವದಾನ

Right To Live in association with Rashtrrothana blood bank, organized a Blood Donation camp today at Opteamix.

The response for the initiative was phenomenal, where 54 employees participated in the camp, out of which 50 were qualified to donate blood. We feel honored to have successfully organized this camp, wherein we collected 50 units of blood which will save 100 lives. All the participants were awarded certificates by the Blood Bank.

Our heartfelt thanks to all the donors, Rashtrrothana and special thanks to Opteamix for supporting us by encouraging their employees to participate in the noble cause.

### 9. World Hunger Day (28th May 2017)

On the occasion of World Hunger Day, Right To Live organised a visit to Om ashram Old Age home. It was a great way to spend a Sunday afternoon with the Elders. The volunteers not only spent time with the Ashram inmates, they also served lunch to the Elders. We Thank our volunteers and Omashram Old Age Home for giving us this rare opportunity to connect with Elders.

## 10. Right To Live @ Cisco Utsav (26th

Kote Foundation got the opportunity to participate in CISCO Utsav, where we setup a booth with banners and boards displaying our activities. Our booth was well attended, and a large pool of CISCO employees attended to hear about our activities, and also signed up as volunteers to our Foundation.

We Thank Rohini Kamath, Ajay Gopal and Selvi Mary of Cisco Systems India Pvt. Ltd. CSR team, for getting us on board for CISCO UTSAV. We were also fortunate to have Rajesh Tovinakere, Prashanth Avadhani and Aakash Agarwal as our champions in Cisco, who helped us in being a part of this wonderful event and having more volunteers on board.

## 11. Blood stem donation drive at Sullia

Right To Live in association with DATRI Blood Stem Cell Donors Registry conducted a blood stem donation drive for a patient - Mr. Shiva Subramanya, at Sri Rama Temple Chokkadi, Sullia Taluk, Karnataka.

Currently he is getting treated for Acute Myeloid Leukemia (AML) in Mazumdar Shaw Medical Centre, Bommasandra (Bangalore, India). Thanks to all the donors

that we were able to collect 109 swab samples from the drive. We will know the results of the samples collected within the next 30 days and hope to find a match for Shiva Subramanya.

Our heartfelt thanks to Athulya Krishna, Parvathi Kote, Archana Kote, Janakirama Nettar, Ganapayya Kattadakorikkar and all other volunteers for all the support in making this event a grand success.

## 12. Health Camp at Maralwadi Village (14th April 2017)

We conducted a free health camp for over 200 underprivileged people of Maralwadi village (outskirts of Bangalore, India), and got featured on Suddi TV, a regional news channel of Bangalore for the noble initiative.

Our wholehearted thanks and gratitude to the expert medical staff from Vasavi hospitals and volunteers from our corporate partners – Cisco, Thomson Reuters and Opteamix for their support, without which this would not have been possible.
